

Order 98-11-1
Served November 4, 1998

UNITED STATES OF AMERICA
DEPARTMENT OF TRANSPORTATION
OFFICE OF THE SECRETARY
WASHINGTON, D.C.

Issued by the Department of Transportation
on the 2nd day of November, 1998

In the matter of the revocation of the interstate scheduled
certificate issued to

MAVERICK AIRWAYS CORPORATION

Docket OST-96-1400

in accordance with section 204.7 of the Department's
Regulations

ORDER REVOKING CERTIFICATE

Section 204.7 of the Department's Aviation Economic Regulations (14 CFR 204.7) provides, among other things, that the authority of any air carrier holding a certificate shall be revoked if the carrier has not operated for a one-year period under any authority for which it was found "fit, willing, and able."

Maverick Airways Corporation was issued a certificate to engage in interstate scheduled air transportation of persons, property, and mail by Order 97-1-16. The carrier conducted operations under this authority until September 13, 1997, when it ceased all operations.

As a result of its cessation of operations, we advised Maverick on September 24, 1997, that its certificate authority was suspended under the provisions of section 204.7 of our rules.

On June 8, 1998, we sent Maverick a letter reminding it of the requirements of section 204.7 and the impact of that section on the company's certificate authority if it did not file a notice of its intent to resume certificated operations by July 30, 1998, and resume those operations by September 13, 1998.

The one-year dormancy period has now expired and we have received no communication from Maverick regarding any intent to resume operations, nor has the company filed any of the information required to have its fitness redetermined. Therefore, under these circumstances and in accordance with section 204.7 of our rules, we will revoke the

interstate scheduled certificate issued to Maverick by Order 97-1-16. This action is without prejudice to the company's reapplying for such authority in the future.

ACCORDINGLY, Acting under authority assigned by the Department in its regulations, 14 CFR 385.12:

1. We revoke the interstate scheduled section 41102 certificate issued to Maverick Airways Corporation by Order 97-1-16 for reason of dormancy.
2. We will serve a copy of this order on the persons listed in Attachment A.

Persons entitled to petition the Department for review of this order under the Department's Regulations 14 CFR 385.30, may file their petitions within 10 days of the service date of this order.

This order shall be effective and become the final action of the Department of Transportation upon the expiration of the above period unless within such period a petition for review is filed or the Department gives notice that it will review this order on its own motion.
